**TRAVERSING
THE JOURNEY
TO SUCCESS!**

PROFILE ASSESSMENT AND ENHANCEMENT

- Minimum requirements: SAT/ACT, TOEFL/IELTS and the required SAT Subject Tests (if applicable. Check the admissions requirements for each school)
- Test scores: Aim as high as possible, get top marks in your classes
- Be both involved and highly influential in some extracurricular activity or anything outside of class (what counts? recognition from some sort of national or international competition (eg. international Olympiads/international research competitions/sports))
- Personal Essay: Incredibly personal in your own voice to reveal who you are including the good and bad in life that shaped who you are.
- Glowing recommendations: with specific instances
- Standards for international students are much higher than the standards for regular students especially for financial aid.

SO WHAT COULD GET YOU IN?

- Begin as Early As Possible
- Take on challenging learning experiences
- Essays can make or break your admissions
- Bring uniqueness to the plate
- Research well
- Quality not Quantity matters
- Innovate and Impact
- Interviews

Profile Building & Short-listing Universities: US vs. UK

	US	UK
Who Assesses Application?	University's academics	Admin staff and academics
Extracurricular Activities	Important	Academics more important
Academic Expectations	Wider coverage of subjects	Specific in their academic specialties
Duration	Standard:4	Standard: 3
Entry Tests	SAT/ACT	Academics(A levels) / Specific Subject Tests
Essays	"College Application Essay": personalized	Personal statement : More formalized

PLANNING COUNTRY/UNIVERSITY SELECTION & TEST TAKING

- Research and review destinations
- Shortlist universities and test taking
- Follow universities on blogs and social media
- Connect with university alumni
- Review scholarship & financial aid requirements
- Take standardized tests (ACT / SAT)
- Budgetary consideration

PERSONAL ASSESSMENT & ENHANCED COLLEGE APPLICATION PREPARATION

- Aim for the highest score in SAT/ACT, TOEFL/IELTS and the required SAT Subject Tests
- Focus on your academic performance
- Build your profile with co-curricular and extra-curricular activities
- Personal essay-Reveal your good and bad in life the best possible way you can
- Be innovative and impactful
- Collect letters of recommendations
- Submit scholarship & financial aid documents
- Early application submission

A person with long dark hair, wearing a white t-shirt and dark pants, is seen from behind. They are wearing a large yellow backpack and holding a dark jacket. They are standing on a balcony or walkway, looking out a large window at an airport tarmac. The scene is bathed in warm, golden light, suggesting sunrise or sunset. The background shows the tarmac with various structures and a clear sky.

PRE-DEPARTURE WRAP UP

- University interview
- Admit offer review and selection
- Visa application and interview
- Make travel arrangements
- Work on University readiness

A photograph of a person in a starting crouch on a reddish-brown track. The person's hands are flat on the ground, and their feet are in a starting position. A white line is visible on the track. A black rectangular box with white text is overlaid on the left side of the image.

TEST PREP !**

SAT vs. ACT

SCORES

The SAT is scored on a scale of **400-1600** | The ACT is scored on a scale of **1-36**

QUESTIONS

 SAT questions require more time to understand |  ACT questions tend to be more straightforward

READING

 The SAT has 5 reading passages |  The ACT has 4 Reading passages

SCIENCE

 If you're a true science-phobe, the SAT might be a better fit |  The ACT has a Science section that tests your critical thinking skills.

MATH

Both tests now have almost the SAME advanced math concepts.

 Arithmetic, Algebra 1 & 2, Geometry and Trigonometry

TOOLS

 You do NOT get a calculator on all the math questions on the SAT |  You get a calculator for ALL math questions on the ACT

ESSAYS

 The SAT essay section is more comprehension focused |  The ACT wants to see how well you can evaluate and analyze complex issues.

Both essays are OPTIONAL

UG TESTS- WHICH ONE TO TAKE?

- **Why you would probably like to take SAT?**
 - **You love reading:** If you are comfortable with the English language and have a great or even some love for reading.
 - **Eyeing Scholarships:** Some scholarships are based on SAT Score
 - **Time is a dilemma:** SAT is paced slower but reading heavy.
 - **Analytical Writing comes easier:** You prefer analyzing the nuances of writing and writing to the point.
 - **Algebra is your thing:** SAT is heavy on algebra, light on trigonometry and geometry. It tests lesser range of mathematical concepts
 - **Less heavy grammar:** More focus on writing style and literal understanding.

UG TESTS- WHICH ONE TO TAKE?

ACT AS THE FIRST CHOICE: Why should I take the ACT?

- Universally accepted for college admission
- Curriculum based: directly related to what you have learned in your high school courses in English, Mathematics, and Science.
- Students are more comfortable with the ACT than they are with the traditional aptitude tests or tests with narrower content.
- Provides valuable information for career and educational planning and a student profile section that provides a comprehensive profile of your work in high school and your future plans.
- Includes Science- An area to shine for students good at science. Tests your critical thinking skills in science

TRUTHS & MISCONCEPTIONS

- All schools accept either the SAT and/or the ACT
- Colleges have no preference
- You may take both tests, or just one of them

STUDENT SPEAK

“

Joining the Princeton Review was, indeed, one of the best decisions i have made in my life. I started my journey of studying for the SAT with a score of 1200. The constant support of the staff and the excellent study material helped me reach a score of 1490 with a perfect 800 in the Mathematic section. The unparalleled counseling services and the editing process helped me better my college applications and get into the University of Rochester with 100% Scholarship.

“

The Princeton Review has the most supportive faculty along with the best preparation material. From arranging a doubt session whenever i needed to evaluating all the essays i brought, their guidance proved to be indispensable as i went from a score of 1190 to 1470. The rigorous full-length tests and test analysis sessions equipped me with the knowledge necessary as a SAT taker. With great mentors at The Princeton Review, my experience was nothing short of fantastic.
